

- SOLiD sequencing of DNA fragment library**                      **\$2,000 each**  
For a single region on octet slide format. Please inquire for larger scale projects.
- SOLiD sequencing of small RNA library**                      **\$2,000 each**  
For a single region on octet slide format. Please inquire for larger scale projects.
- SOLiD sequencing of DNA mate paired library**                      **\$3,000 each**
- SOLiD sequencing of whole transcriptome sample**                      **\$2,000 each**  
For a single region on octet slide format. Please inquire for larger scale projects.
- SOLiD sequencing of additional bar-coded libraries**                      **\$800 each**  
Octet or quad format of slide. For other samples, please inquire.
- Small RNA fractionation of total RNA sample**                      **\$50.00 per gel**
